Dear Long Grove Residents,

Re: N Krueger Road Improvements Informational Meeting.

The Village of Long Grove invites you to attend a Second Public Meeting regarding the proposed roadway improvements being planned for N Krueger Road between IL Rte 22 and West Gilmer Road. Improvements will consist of providing a uniform 22-foot wide, two lane pavement section with 3-foot paved shoulders and 1-foot aggregate shoulders throughout the entire corridor. The purpose of the meeting is to present additional information on the plan for the proposed improvements in response to questions raised during the First Public Meeting held on December 15, 2016 and to solicit additional public comments regarding the project.

Most notably, as follow-up to questions raised during the December 15, 2016 Public Meeting the Village performed a comprehensive tree inventory and evaluation on the projects impacts on existing trees. In an effort to preserve as many trees as possible, the Village will be presenting alternative plans that utilize federal funding (incl. 3' wide paved shoulder on both sides of the road) for the improvements North of Eleanora Drive and Village funding for the southern half of the project (maintaining the existing pavement width, no paved shoulders). It should be noted that the Village's improvements stop approximately 500' north of IL Route 22. This Southern 500' feet of N. Krueger Road will be widened to the outside limits of the right of way, requiring the removal of all trees within this section, to accommodate the planned intersection improvements by IDOT

A project overview and comment form are enclosed and are posted on the Village of Long Grove website [www.longgrove.net](http://www.longgrove.net). Additional maps and exhibits will be available for viewing at the Public Meeting.

Details regarding the public meeting are indicated below:

<b>Date:</b>	<b>Thursday, July 13, 2017</b>
<b>Time:</b>	<b>6:00 pm to 8:00 pm</b>
<b>Location:</b>	<b>The Grove Country Club 3217 IL Route 53 Long Grove, IL</b>
<b>Format:</b>	<b>Presentation and Q&amp;A</b>

Village engineering consultant Gewalt Hamilton Associates, Inc. will be presenting the plans and will be available to discuss the existing conditions along the project corridor and answer questions. Written comments may be completed at the meeting or mailed in prior to the close of the comment period on August 4, 2017. Mailed comments are to be sent to Mr. David Lothspeich, Village Manager, Village of Long Grove, 3110 Old McHenry Road, Long Grove, IL 60047. All interested persons are invited to attend and provide input. If you have any other questions or concerns, please contact me, via e-mail at [dlothspeich@longgrove.net](mailto:dlothspeich@longgrove.net) or at 847-634-9440.

Sincerely,

*The Village Of Long Grove*
